**STIPULATION AND ORDER RE  
AGREED RIDER TO PROTECTIVE  
ORDER REGARDING THE USE AND  
DISCLOSURE OF DISCOVERY  
PRODUCED BY NONPARTY  
AMAZON.COM, INC.**

1 This agreement is entered into between and among nonparty Amazon.com, Inc.  
2 (“Amazon”) and Adrienne Benson and Mary Simonson (“Plaintiffs”), the named plaintiffs in  
3 *Benson v. DoubleDown Interactive, LLC*, No. 18-cv-525-RSL (the “Action”). Plaintiffs and  
4 Amazon anticipate that Amazon will produce documents in this action that contain sensitive  
5 consumer information and are necessary to provide notice of the Class Action Settlement  
6 Agreement to members of the Settlement Class. This agreement is intended to supplement the  
7 protective order entered by the Court on July 8, 2020 (ECF No. 123) (“Protective Order”).

8 Pursuant to Rule 26(c) of the Federal Rules of Civil Procedure, the Court finds good  
9 cause for the following Agreed Rider To Protective Order Regarding The Use And  
10 Disclosure Of Discovery Produced By Nonparty Amazon.com, Inc. (“Rider”).

#### 11 **PURPOSES AND LIMITATIONS**

12 Amazon Protected Material designated under the terms of this Rider shall be used by the  
13 Class Action Administrator and the Parties solely for the purpose of providing notice to and  
14 verifying and paying the recovery amount owed to each member of the Settlement Class.  
15 Amazon Protected Material shall not be used directly or indirectly for any other purpose  
16 whatsoever.

17 No Amazon Protected Material provided by Amazon to the Class Action Administrator  
18 under the terms of this Rider may be shared with any of the Parties, unless specifically  
19 authorized by this Rider.

20 It is the intention of Amazon and the Parties that this Rider will protect all materials  
21 produced by Amazon in the Action unless otherwise specified.

#### 22 **DEFINITIONS**

23 “Class Action Administrator” means JND Legal Administration, acting as class action  
24 administrator to effect the Class Action Settlement Agreement entered.

25 “Class Action Settlement Agreement” means the document filed at ECF No. 508-1 in the  
26 Action.

1 “Outside Counsel” means (i) outside counsel who appear on the pleadings as counsel for  
2 a Party and (ii) partners, associates, and staff of such counsel to whom it is reasonably necessary  
3 to disclose the information for this litigation.

4 “Amazon Protected Material” means any discovery produced by Amazon in the Action.

5 “Settlement Class” has the meaning provided in the Class Action Settlement Agreement.

6 **COMPUTATION OF TIME**

7 The computation of any period of time prescribed or allowed by this Order shall  
8 be governed by the provisions for computing time set forth in Federal Rule of Civil Procedure 6.

9 **SCOPE**

10 The protections conferred by this Rider cover not only the Amazon Protected Material  
11 governed by this Rider as addressed herein, but also any information copied or extracted  
12 therefrom, as well as all copies, excerpts, summaries, or compilations thereof, plus testimony,  
13 conversations, or presentations by Parties or their counsel in court or in other settings that might  
14 reveal Amazon Protected Material.

15 Nothing in this Rider shall prevent or restrict Amazon’s own disclosure or use of its own  
16 Amazon Protected Material for any purpose, and nothing in this Rider shall preclude Amazon  
17 from showing its Amazon Protected Material to an individual who prepared the Amazon  
18 Protected Material.

19 **DURATION**

20 Even after the termination of this case, the confidentiality obligations imposed by this  
21 Order shall remain in effect until Amazon agrees otherwise in writing or a court order otherwise  
22 directs, subject to the Final Disposition clause herein.

23 **ACCESS TO AMAZON PROTECTED MATERIAL**

24 **Basic Principles.** All Amazon Protected Material shall be used solely for the purpose of  
25 providing notice to and verifying and paying the recovery amount owed to members of the  
26 Settlement Class, and not for any other purpose whatsoever, including without limitation any  
27 other litigation, patent prosecution or acquisition, patent reexamination or reissue proceedings, or

any business or competitive purpose or function. Amazon Protected Material shall not be provided, distributed, disclosed, or made available to anyone except as expressly provided in this Rider.

Secure Storage, No Export. Amazon Protected Material must be stored and maintained by a Receiving Party at a location in the United States and in a secure manner that ensures that access is limited to the persons authorized under this Rider. To ensure compliance with applicable United States Export Administration Regulations, Amazon Protected Material may not be exported outside the United States or released to any foreign national (even if within the United States).

Legal Advice Based on Amazon Protected Material. Nothing in this Rider shall be construed to prevent counsel from advising their clients with respect to this case based in whole or in part upon Amazon Protected Materials, provided counsel does not disclose the Amazon Protected Material itself except as provided in this Rider.

Limitations. Nothing in this Rider shall restrict in any way Amazon's use or disclosure of its own Amazon Protected Material.

Designation. For the avoidance of doubt, in all circumstances not specifically addressed by this Rider, all Amazon Protected Material shall be treated as if designated "CONFIDENTIAL" under the Protective Order regardless of whether the Amazon Protected Material has been stamped or marked in accordance with that Order.

#### **USE OF PROTECTED MATERIAL**

It is Amazon's and the Parties' intention that Amazon will produce Amazon Protected Materials directly to the Class Action Administrator, with no production to any of the Parties.

Unless otherwise ordered by the Court or authorized through the prior written consent of Amazon, the Class Action Administrator may disclose Amazon Protected Materials only to those members of the Class Action Administrator's staff, or to any copying, clerical or other support services working at the direction of the Class Action Administrator, to whom disclosure is reasonably necessary in order to provide notice to and/or to verify and pay the recovery amount

1 owed to members of the Settlement Class, provided that each such person to whom disclosure is  
2 made must first agree to be bound by the provisions of this Rider by signing a copy of Exhibit A.

3       Nothing in the foregoing paragraph is intended to restrict the Class Action Administrator  
4 from disclosing to a member of the Settlement Class any Amazon Protected Material that  
5 specifically relates to that individual.

6       Certain Total Spending Amount: Upon receipt of the Amazon Protected Material, the  
7 Class Action Administrator may disclose to Counsel for Plaintiffs the total dollar value of  
8 domestic (*i.e.*, within the United States) net spending (spend minus any refunds) in the  
9 Applications, on the Amazon platform, from April 1, 2014 through June 30, 2022.

10       Certain Members of the Settlement Class: As a limited exception and subject to this  
11 Rider, as of the date of production, the Class Action Administrator may furnish to Counsel for  
12 Plaintiffs the contact information for and Lifetime Spending Amount associated with each  
13 Settlement Class Member who has a Lifetime Spending Amount of greater than or equal to  
14 \$10,000.

15       For the avoidance of doubt, no Settlement Class Member's contact information or  
16 Lifetime Spending Amounts shall be provided to Counsel for Plaintiffs unless Counsel for  
17 Plaintiffs have been appointed by the Court as Class Counsel.

18       Any contact information disclosed to counsel for Plaintiffs pursuant to this section shall  
19 be used solely for the purpose of providing notice of the Class Action Settlement Agreement to  
20 members of the Settlement Class, and counsel for Plaintiffs shall disclose Contact Information  
21 only to counsel's staff, or to any copying, clerical or other support services working at the  
22 direction of counsel for Plaintiffs, to whom disclosure is reasonably necessary to provide notice  
23 to the member. All Contact Information relating to a member of the Settlement Class shall be  
24 destroyed by counsel for Plaintiffs upon confirmation that the member has received actual notice  
25 of the Class Action Settlement.

1           **CHALLENGING DESIGNATIONS OF PROTECTED MATERIAL**

2           This Rider is intended to provide no mechanism to the Parties through which they can  
3 challenge the designation or protected status of Amazon Protected Materials.

4           **SUBPOENAS OR COURT ORDERS**

5           If at any time Amazon Protected Material is subpoenaed by any court, arbitral,  
6 administrative, or legislative body, the Party to whom the subpoena or other request is directed  
7 shall immediately give prompt written notice thereof to Amazon and to its counsel and shall  
8 provide Amazon with an opportunity to move for a protective order regarding the production of  
9 Amazon Protected Materials implicated by the subpoena.

10          **FILING PROTECTED MATERIAL**

11          Absent written permission from Amazon or a court Order secured after appropriate notice  
12 to all interested persons, the Parties may not file or disclose in the public record any Amazon  
13 Protected Material.

14          **INADVERTENT DISCLOSURE NOT AUTHORIZED BY ORDER**

15          In the event of a disclosure of any Amazon Protected Material pursuant to this Rider to  
16 any person or persons not authorized to receive such disclosure under this Rider, the Party  
17 responsible for having made such disclosure, and each Party with knowledge thereof, shall  
18 immediately notify counsel for Amazon and provide to such counsel all known relevant  
19 information concerning the nature and circumstances of the disclosure. The responsible  
20 disclosing Party shall also promptly take all reasonable measures to retrieve the improperly  
21 disclosed Amazon Protected Material and to ensure that no further or greater unauthorized  
22 disclosure and/or use thereof is made.

23          Unauthorized or inadvertent disclosure does not change the status of Amazon Protected  
24 Material or waive the right to hold the disclosed document or information as Protected.

25          **FINAL DISPOSITION**

26          Not later than ninety (90) days after closure of the Final Disposition of this case, the  
27 Parties and the Class Action Administrator shall return all Amazon Protected Material to outside

1 counsel for Amazon or destroy such Material, at the option of Amazon. For purposes of this  
2 Order, "Final Disposition" occurs after an order, mandate, or dismissal finally terminating the  
3 above-captioned action with prejudice, including all appeals.

4 Counsel for Plaintiffs that has received any such Amazon Protected Material, as well as  
5 the Class Action Administrator, shall certify in writing that all such materials have been returned  
6 to counsel for Amazon or destroyed.

#### 7 **MISCELLANEOUS**

8 **Termination of Matter and Retention of Jurisdiction.** The Parties and Amazon agree that  
9 the terms of this Rider shall survive and remain in effect after the Final Disposition of the  
10 Action. The Court shall retain jurisdiction after Final Disposition of the matter to hear and  
11 resolve any disputes arising out of this Rider.

12 **Successors.** This Rider shall be binding upon Amazon and the Parties hereto, their  
13 attorneys, and their successors, executors, personal representatives, administrators, heirs, legal  
14 representatives, assigns, subsidiaries, divisions, employees, agents, retained consultants and  
15 experts, and any persons or organizations over which they have direct control.

16 **Modification by Court.** This Order is subject to further court order based upon public  
17 policy or other considerations, and the Court may modify this Order sua sponte in the interests of  
18 justice. The United States District Court for the Western District of Washington is responsible  
19 for the interpretation and enforcement of this Order. All disputes concerning Amazon Protected  
20 Material, however designated, produced under the protection of this Order shall be resolved by  
21 the United States District Court for the Western District of Washington.

22 **Discovery Rules Remain Unchanged.** Nothing herein shall alter or change in any way  
23 the discovery provisions of the Federal Rules of Civil Procedure, the Local Rules for the United  
24 States District Court for the Western District of Washington, or the Court's own orders.  
25 Identification of any individual pursuant to this Protective Order does not make that individual  
26 available for deposition or any other form of discovery outside of the restrictions and procedures  
27

of the Federal Rules of Civil Procedure, the Local Rules for the United States District Court for the Western District of Washington, or the Court's own orders.

Representation and Agreements Regarding Production. Amazon represents that as promptly as possible it will produce certain Amazon Protected Material, on terms agreed between Amazon and counsel for Plaintiffs, directly to the Settlement Administrator.
